 97% said that they would **attend** future GLC Europe events

“Very good overall impression!”
 HSQE Manager
NRG Maritime INC

“Very interactive and productive 2 days.”
 International Health & Safety Manager
Enercon Service

* These are the statistics of the surveys conducted with the past participants of our HSE events.

Welcome to Prague:

City of a Hundred Spires, a UNESCO monument and one of the most beautiful cities in the world. From castles to churches and from museums to art galleries, there is something for everyone in this magical city. Prague is simply an amazing city with its typical view of Lesser Town and Prague Castle, with its typical embankments, with its typical Old Town Astronomical Clock and renaissance architecture. Its panorama with the Prague Castle in the background is positively breath-taking. Legends, folklore, ancient stories... all this is waiting for you practically around every corner.

See you there!

Valued Speakers

JASON ANKER MBE
Founder
Proud2bSafe
United Kingdom

Special Guest Speaker

Jason Anker works as a motivational and behavioural safety speaker. Having been in a major accident many years ago on a building site, Jason speaks on the emotional perspective of why Health and Safety is not just about ticking boxes.

Event Sponsors:

Quentic (formerly EcoIntense GmbH) is one of the leading providers of HSE and CSR software in Europe. The company is headquartered in Berlin and has more than 150 employees. More than 600 customers use Quentic software to strengthen their environmental management, enhance Health & Safety issues, and track their sustainability record. The software platform is suitable for management systems according to ISO 14001, ISO 50001, and OHSAS 18001. Quentic networks data, connects all HSE and CSR stakeholders in a single system, and drives innovation—via both browser and app. Quentic supports seamless cooperation across departments, locations, and even countries, thereby helping companies coordinate all processes efficiently and in compliance with legal requirements.

For more information visit: www.quentic.com or speak to us at the event

ERM is a leading global provider of environmental, health, safety, and sustainability (EHSS) consulting services. We have more than 160 offices in over 40 countries and territories employing more than 4,500 people who work on projects around the world. ERM is committed to optimising business performance by helping our clients derive greater value from their investments in health, safety, and risk management. Companies worldwide partner with ERM, drawing on our 40 years of industry experience to help them extract much greater value from their existing safety programmes, processes and tools. Combining technical expertise in risk, process and occupational safety, human factors and information systems with a focus on leadership culture and behaviours, we will work with you to achieve the full benefit of your safety investment – safeguarding lives, assets and reputation.

For more information visit: www.erm.com or speak to us at the event

en-software provides industry-strength solutions for occupational health and safety, building on 15 years of experience. Our web-based and mobile-enabled management platform SHERM (Safety Health Environment Risk Management) covers both operational and strategic aspects. Modules like incident reporting, audits, inspections, risk assessment and e-trainings facilitate communication and professional exchange between safety, HR and environment experts. Key performance indicators and other statistical reports are ready to assist strategic management decisions.

Our customers are international industries who run SHERM because of its flexibility to adapt to an established IT landscape and established safety culture. Clients like Sappi, BP, Mondi, Stora Enso, Magna and Roche are constantly building expertise contributing to SHERM innovation. As a result, we can now offer participative features covering requirements of the new ISO 45001:2017 like Stakeholders, Environmental Risk Assessment and Chances. Beyond customizing our standard software, en-software offer first-class IT services to efficiently integrate with your IT landscape.

For more information visit: www.en-software.com or speak to us at the event

Enhesa is the market leader in global environmental, health and safety compliance assurance providing support to businesses worldwide. 1 Global Solution covering 285 jurisdictions worldwide, over 75 EHS regulatory analysts, representing more than 40 nationalities in more than 30 local languages.

For more information visit www.enhesa.com or speak to us at the event

SafeStart is an advanced safety awareness and skills development programme that aims to help people avoid unintentional mistakes that lead to injury. It has helped thousands of companies in over 60 countries move beyond compliance and beyond the workplace to improve employee engagement, culture, family safety and business results. It has been successfully implemented in more than 3,000 companies worldwide, with over 3,5 million people trained in more than 30 different languages.

Program: Day 1

05th September, 2019

- 08:30 Registration & Networking with Welcome Coffee
- 08:45 Greeting from the Project Lead & GLC Icebreaker Session
- 08:55 Opening Remarks from the Chair

09:00

A Fall From Height

- Could your H&W influence your safety choices?
- Where we have come from
- Who is to blame?
- The Safety Journey Gut instinct
- 'My Story' by Jason Anker MBE
- What is a life changing accident?
- Family – The effect accidents have on your loved ones
- Friends by Sean Toon
- The influence on Safety
- The Last Photo
- The Gift

Q & A Session

JASON ANKER MBE

Founder

Proud2bSafe – [United Kingdom](#)

09:40

Building Health and Safety Competence for Impact

- ERM's Survey - training vs. safety culture perception and return in investments
- Moving from "training" to "learning", transforming approaches to achieve impactful outcomes
- Success Factors and Case Studies

Q & A Session

EDNA BESNAÏNOU

Partner, Safety Services, Central Europe and Eurasia

ERM - [Germany](#)

10:20

Tea, Coffee, Networking & Exhibits

10:50

How to change the H&S culture by storytelling!

- Vattenfall has started a program recently and the result of this initiative will be share with the participants.

Q & A Session

OLAF GROUW

Vice President Health and Safety

Vattenfall - [The Netherlands](#)

11:30

How Artificial Intelligence (AI) can support future EHS Management

- Help the work force to engage with safety by mobile apps that provide conversational interfaces to access all EHS data and report observations
- Understand how location-based services can proactively notify about hazards and risks at a site such that workers can avoid these
- See how smart glasses and augmented reality can help workers to access instructions and alerts on technical equipment
- Envision aspects of gamification to increase engagement of workers in sharing safety information

Q & A Session

DR. MARIO LENZ

Chief Product Officer (CPO)

Quentic Gmbh - [Germany](#)

12:10 Learning From Incidents (LFI) and how to set up a comprehensive wing to wing program for operations

- How to set up LFI expectations for the organization, which KPIs?
- How to set up and execute Structured LFI training programs?
- How to build LFI Champions across the organization
- How to embed learnings to avoid repeats and continually improve?
- How technology can enhance LFI?

Q & A Session

KATIE KEMP
Global Digital Leader
Tate & Lyle - United Kingdom

12:50 Luncheon & Networking

13:50 Slot Reserved for en-software

14:30 Making Safety Personal: the next steps in L'Oréal's culture journey

- Giving sense to safety
- Right tool at the right time
- Focus on what is important- LIFE Program
- Safe@Work-Safe@Home program

Q & A Session

YANNICK LOBERGER
Corporate Health & Safety Manager
L'Oréal Group - France

15:10 GROUP PHOTO

15:20 Tea, Coffee, Networking & Exhibits

TRACK A

TRACK B

15:50 Driving health and safety leadership excellence

- Health and safety culture
- Values based model for health and safety leadership

Q & A Session

JANE HOPKINSON
Senior Psychologist
Health and Safety Executive - United Kingdom

16:30 Wesafe program

- Internal Safety Advertisement - from value setting to active engagement
- Safety Navigator - tool to unite EHS community
- Augmented reality in Safety communication

Q & A Session

ALEKSEY RYABINOK
Safety Acceleration Project (Wesafe) Lead
JAPAN TOBACCO INTERNATIONAL - Russian Federation

15:50 A new direction for the role of the Board and their Executive Directors

- Pressure from the courts
- Pressure to improve the value of the business
- What tools are needed for the board to do its job?
- Formalising the Health and Safety roles of the Board and the Executive Team

Q & A Session

BOB ARNOLD
Chairman, Health & Safety Management
Multiplex Construction - Europe, Canada and the Middle East

16:30 The Transforming Role of the HSE Practionioner

- Importance of understanding the changing role of Safety and HSE
- The significance of reflective and experiential learning practice
- The 10-step MBA for HSE Practionioners
- Importance of understanding the business context of HSE

Q & A Session

DR WADDAH S GHANEM AL HASHMI
Sr Director - Sustainability, Operational & Business Excellence
Emirates National Oil Company LLC - United Arab Emirate

17:20 End of Day 1

Program: Day 2

06 th September, 2019

08:30 Meet, Greet & Networking with Welcome Coffee

08:50 Opening Remarks from the Chair

TRACK A

09:00 Integrating HSE into an Enterprise Operating System

- Safety core values, pillars and habits
- Sustainability Committee
- Global standardization benefits
- Compliance with ISO 14001 and ISO 45001 requirements

Q & A Session

ANA FERREIRA

Environment, Health and Safety Global Director
Aptiv EDS - Portugal

09:40 Safety in the global steel industry - Are things improving?

- How the world of steel has changed - demographic shift; volumes; tonnes; headcount; recycling
- How it remains a strategic key industry supporting many other industries?
- Safety Management; World Steel Association Statistics; Accident Statistics 2000 - 2018
- Areas for future attention and the key areas to apply Artificial Intelligence and Virtual Reality-based solutions

Q & A Session

HUGH MAXWELL

Global Environmental Protection and Compliance Leader
ESAB - United Kingdom

TRACK B

09:00 Robot Safety Rocks! Implications of IoT and AI on OSH

- Emerging Industry 4.0 technology and OSH
- Current and future developments
- 5 Safety tech trends
- The future role of the OSH professional

Q & A Session

JOHN KERSEY

Safety and Health Practitioner correspondent and advisory board member
Informa (UBM) - United Kingdom

09:40 Mobile HSE solutions

- Discuss why different industries need mobile HSE management technology

Q & A Session

NANCY DE PREST

Corporate Health, Safety & Quality Director
Yara International - Belgium

10:20 Tea, Coffee, Networking & Exhibits

10:50 Using Neuroscience to Achieve Safe Human Performance

- Discover how neuroscience has identified the "missing piece" in the safety puzzle
- Understand the difference between the deliberate brain (when we do things consciously) and the automatic or habitual brain (when we do things on "autopilot")
- Explore how we can make better use of this understanding of the deliberate brain and the habitual brain to reduce injuries.
- Be introduced to techniques to reduce the errors made when we find ourselves on "autopilot"

Q & A Session

LARRY WILSON

CEO & Author
SafeStart - United Kingdom

11:30

Human capital : the importance of personal and organisational sustainability

- A 'whole person whole life' approach to prevention
- The role of the workplace in maintaining functional capacity
- Why is promoting a sustainable working life important?
- It's all about the data - or is it?
- Whole person whole life approach - a role for practitioners

Q & A Session

KAREN MCDONNELL

Occupational Health and Safety Policy Adviser

RoSPA- United Kingdom

12:10

Slot reserved for Enhesa

12:50

Luncheon & Networking

TRACK A

TRACK B

13:50 Mental Health: The biggest challenge

- My own story
- What is considered to be "personal" when compared to "occupational"?
- Challenges and Emerging Risks in the workplace for Wellbeing and Mental Health
- Case Study – NATS Peer Support Programm

Q & A Session

▶▶▶ OPEN FOR SPONSORS

14:30 Psychosocial risk management as performance booster

- Stress performance connection and main action levers
- The playing field in occupational health, a multidisciplinary approach
- Psychosocial risk assessment and its dashboard
- Examples of good practices at the 3 levels of prevention

Q & A Session

MARC JACOBY

Head of health

ArcelorMittal - Luxembourg

15:10 Experimenting and Implementing Safety II (in a Life Sciences Organisation)

Q & A Session

CHRIS LEA

Director HS&E and Wellbeing

Ucb - United Kingdom

13:50 Safey Footwear - more than just protection

- History, background
- Industry insights, survey results
- Groundbreaking research
- Workplace recommendations
- Conclusions

Q & A Session

DEBBIE JANSON

Research Engineer / Engineering Consultant

University of Bath - United Kingdom

14:30 Taking EHS to the Next Level: The Toolbox

- Management risk focused audits: looking further than the classical behavioural audits
- Safety agents: bottom up approach
- Procedural champions: delegating responsibility to line management
- "Think twice" safety campaign: real life experiences of severely injured colleagues
- EHS 360 degrees feedback: aimed at first line managers

Q & A Session

ROBERT HOFMANS

Head of SHE, Consumer Packaging

Mondi - The Netherlands

15:10 Refinement of Risk Assessment with focus on Human Factors

- Human Factors as define by UKHSE HSG 48
- Learning from accidents
- Key actions from Ideal Standard
- Examples of good practices at the 3 levels of prevention

Q & A Session

DAVID TJONG

Retired Global Director, Health, Safety and Environment

Ideal Standard International- Belgium

15:50 Closing Remarks from the Chair & Farewell Networking

16:00 End of Day 2

CONFERENCE FEE

Attendance Fee - € 1598 per delegate*

*This offer is NOT valid for industry consultants, service or solution providers

22 EUR administration charge will be applied

Payment is required within 5 working days

GLC is supporting Water.org to provide access to safe water and sanitation for people in the developing world. Part of your investment will be donated for this cause.

Terms and Conditions:

Attendance at any conference/training organised by Global Leading Conferences Kft. (hereinafter referred to as "GLC", registered address in Hungary: 1134 Budapest, Váci út 19. VAT Reg. No.: HU23157653 OR INFOBASE S.R.L. - registered address in Romania: Jud. Covasna, Loc. Sf. Gheorghe, Str. Oltului, Nr. 4/A, etaj 1; Reg. Nr.: J14/254/2017 OR Global Leading Conferences Pvt. Ltd - registered address in Sri Lanka No.25 1/1, Mile post Avenue, Colombo 03, Reg.no.: PV113731) is subject to our Terms and Conditions. By registering for any of our events by e-mail/telephone/fax, the client accepts and agrees to be bound by these Terms and Conditions.

1. Payment terms. GLC requires the full payment of the registration fee within 5 working days from the issue date of the invoice. GLC reserves the right to refuse entry to any client who has not paid their invoice. The registration fee includes: conference documentation, admission to all conference sessions, lunches and refreshments, admission to networking social events. The registration fee does not include: travel, hotel accommodation, transfers or insurance. All prices given are net prices. VAT is only charged in the following cases: the client is resident in Hungary; the client is a private individual; the client is based in the European Union, but does not hold a valid EU VAT registration number. In these cases, additional 27% VAT will be charged.

2. Hotel accommodation. Overnight accommodation is not included in the registration fee. A special, reduced rate may be available at the hotel hosting the event. Please note that the number of rooms available through this special rate is limited, thus we recommend that our clients book their accommodations as soon as possible.

3. Cancellation policy. The client has the right to cancel his/her registration in the event in accordance with our cancellation policy, which is the following: There is a 50% liability on all conference registrations once made, whether the booking was made through our website or via e-mail/telephone/fax. If the client cancels with more than 8 weeks' advance notice, GLC shall be entitled to an amount equivalent to 50% of the conference fee and 22 EUR administration charge. In case the client has already made his/her payment, this will be deducted from the conference fee GLC has already received and the remainder will be refunded. If no conference fee has been received prior to the cancellation request, GLC will issue an invoice for the cancellation fee (the amount equivalent to 50% of the conference fee and 22 EUR administration charge), which the client must pay immediately upon receipt. No refunds are available for cancellations received with 8 weeks' (or less) advance notice or in case the client fails to attend the conference.

In these cases, the full amount of the conference fee must be paid.

4. Cancellation by GLC. While every reasonable effort is made to adhere to the advertised program, circumstances can arise which may cause changes in the program, including but not limited to changes in the content, date(s), location or venue, or special features of the planned event. Such circumstances include but are not limited to acts of terrorism, war, extreme weather conditions, compliance with government requests, orders and legal requirements, failure to third party suppliers to timely deliver, and failure to register the minimum target amount of attendees for a given event.

GLC reserves the right to change the content, date(s), location or venue and/or special features of an event, to merge the event with another event, or to postpone it or cancel it entirely as appropriate under the circumstances. The client agrees that GLC shall not be liable for any cost, damage or expense which may be incurred by client as a consequence of the event being so changed, merged, postponed or cancelled and client agrees to hold GLC harmless and to indemnify GLC in case of liability caused by any such changes, mergers, postponements or cancellations.

5. Cancellation of the event. In case GLC cancels an event, GLC may offer the client a full credit up to the amount paid by the client to GLC. This credit shall be valid for up to one year from the issue date of the invoice to attend any GLC-sponsored event. The client shall not be entitled to this credit as a contractual right.

6. This contract shall be governed and construed in accordance with the laws of Hungary (not including its conflict of laws and provisions). Any disputes arising out of this contract shall be brought before the courts of Hungary situated in the city of Budapest in Hungary. At its sole discretion, GLC may elect to bring any dispute arising under this contract to the jurisdiction of the courts in which the client's offices are located.

7. Any terms and conditions contained in the client's acceptance which contradict or are different from the terms and conditions shall not become part of the contract unless individually negotiated with GLC and expressly accepted by GLC.

8. Other currencies. In case the client requires payment in other than the official currency (EUR), GLC reserves the right to apply 8% currency risk surcharge to the actual exchange rate.
